

POLSKIE POLISH DROBIARSTWO POULTRY

A monthly magazine for poultry breeders, feed producers, processing companies, scientists

Polskie Drobiarstwo has been present on the market for 31 years. PD has cooperated with Polish and foreign Research Institutes and has engaged famous experts presenting various specializations. It is owing to their experience and expertise that our topics and articles vary and cover the most recent ideas and news. We have been honoured with many rewards and our readers also appreciate our efforts in providing them with professional knowledge and information.
